TRY BEFORE YOU BUY

If you would like to test how the GasCheck 3000 or MiniTracer leak detector will perform on your application before you buy, you may rent it for \$225 for a one week period. LACO will then credit you up to \$200 towards the purchase price of this detector if you decide to purchase with a credit card by the end of the weeks rental. Otherwise, you may return the leak detector and only pay the rental fee.
